

PROFILE

I was born into a family with a strong involvement in sporting dog activities. When I arrived into the world my parents were exhibiting show dogs and I don't remember the family home or my own home ever being without a dog. It was inevitable I became involved in the dog showing world and started showing my first dogs as a child handler.

The "Shelridge" Kennel prefix was established in Australia in 1984. RR's bred or owned by "Shelridge" have enjoyed numerous accolades at both specialty and all breed championship shows including multiple BIS, RUBIS, RUBISS, Royal BOB, RR club point-score and RR of the year competitions. "Shelridge" RR's have also ventured into the various obedience disciplines obtaining numerous awards and titles. "Shelridge" RR's can be identified on the pedigrees of top winning Rhodesian Ridgebacks in Australia and overseas.

Other breeds I have also had considerable involvement are Saluki's and Newfoundland's having owned and or/ bred BISS and RUBISS representatives and multi champions.

I purchased my first Skye Terrier in 2017 and successfully achieved champion status with my first Skye Terrier in 2018.

I have owned and or/ bred 36 champions including two grand champions.

I am a former President: The Australian National Rhodesian Ridgeback Club. The Rhodesian Ridgeback Club of South Australia and a founding committee member of the Rhodesian Ridgeback Club of Victoria.
